

## Flu Training plus PGD Service

Cheshire and Merseyside LPC's with Sonar Informatics are offering a PGD package and 2 training dates for Flu and PGD Training.

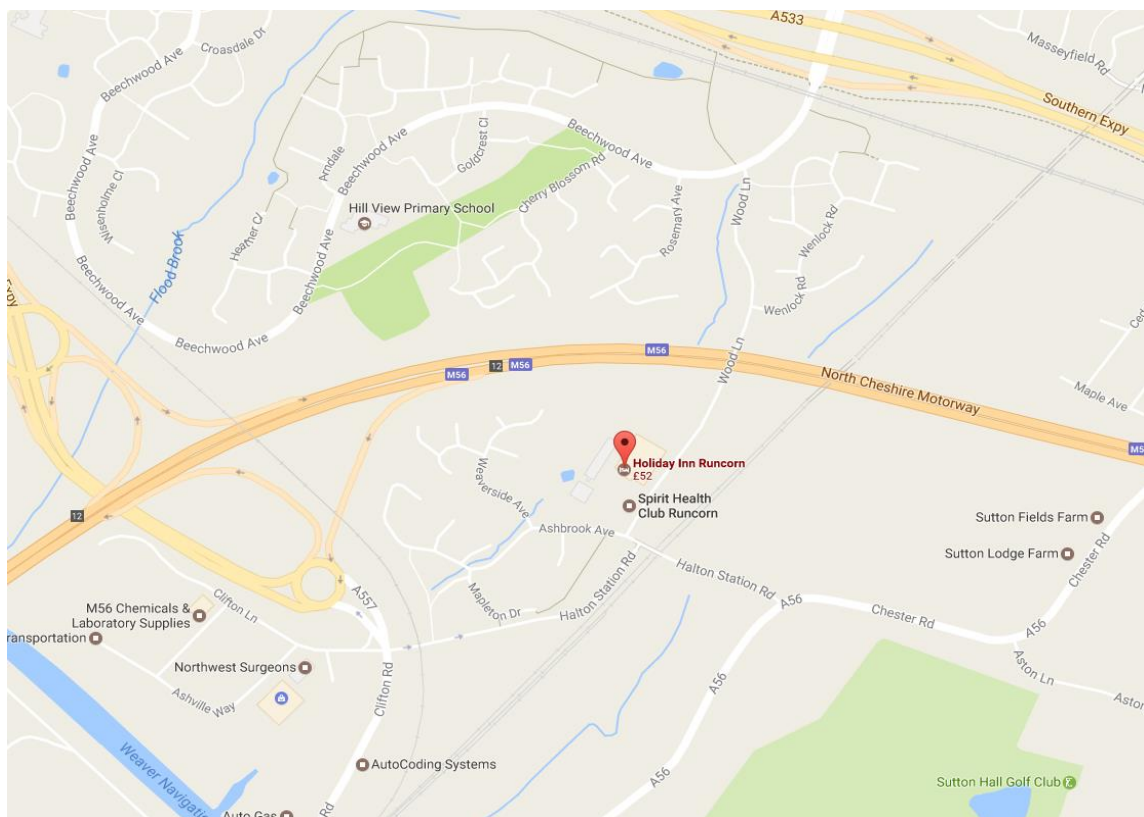

Our Patient Group Directions (PGDs) help you to put patients first. They enhance the place of community pharmacy in healthcare provision and extend the pharmacy services to patients when and where they are needed.

Our great package of over 15 private PGDs includes: training, full e-record keeping, reference and promotional materials and live support:
